### For your information

- **Celebration Service:** This morning is our annual service celebrating all that God has done for us this last year and looking ahead to what's next. followed with a "Bring and Share" lunch, and then after this there will be the opportunity for us to pray for our "Church On The Road" outreach into Honington & Sapiston. This will include some going and praying around the villages, whilst others can stay and pray. We will then gather back together at 4pm for a brief time of worship, prayer and reporting. **Please note: There will be no evening service.**
- **Thursday Afternoon Fellowship starts up again on 13 September – speaker David Jack. Please do come along and join with this small group if you can to encourage them. Gentlemen also welcome !**
- **Care Groups officially start back this week. We will be using the resource "Sent: Serving God's Mission" by Tim Chester. This is what it's all about (from the introduction): "Mission is not done by someone else. Jesus gave the task of mission to us, to you. He didn't say, 'They shall be my witnesses' or 'People in mission agencies shall be my witnesses.' He said 'You shall be my witnesses'. Not all of us will go to other cultures. But all of us should be involved in sending, praying, giving. The great nineteenth-century preacher Charles H. Spurgeon said, 'Every Christian is either a missionary or an imposter.' Reaching unreached people for Christ is our job. It's your job. And this study guide explores the 'job description' provided by the Bible" Care Group Leaders – please collect study books from Myles**
